

## Used vehicle deposit agreement and receipt

Complete every relevant field before money changes hands. A deposit's treatment depends on the written agreement, the circumstances and applicable consumer law; do not rely on verbal promises.

### Parties

Balance due

Payment method

Transaction reference

Date and time paid

Vehicle held until date / time

Expected collection / delivery

### Purpose and agreed refund conditions

- ☐ Holding deposit - seller agrees to remove or pause the vehicle from sale until the time written above.
- ☐ Part payment - the amount will be deducted from the agreed vehicle price if the transaction completes.
- ☐ Refundable in full if the seller cannot provide the vehicle or cannot show a credible right to sell it.
- ☐ Refundable in full if independent history data reveals an undisclosed theft, finance, write-off, identity or material mileage issue.
- ☐ Refundable in full if an independent inspection finds material defects or damage inconsistent with the advert or written description.
- ☐ Refundable if estimated immediate repairs exceed the amount written here: GBP
- ☐ Refundable if finance is declined - only where both parties expressly agree this condition.
- ☐ Non-refundable if the buyer simply changes their mind after all written conditions have been satisfied - only where lawfully agreed.

Other agreed conditions, inspection deadline, excluded defects or seller promises
